

# How do **Year 7** students ask study questions? Like this:

“i need help with understanding my homework, I just drew my question on the whiteboard here.”

“How do you work out squares and square roots.”

“Hello, i have to write this essay for English in which I have to persuade my teacher to support a charity of my choice. How can I make it better.”

“Hi my homework question is this - The leaves from a plant are removed. Assess how this will affect it. What does this question mean?”

**You get 24/7 study help for **free** with your library Member number.** In fact, more than 1.6 million students in Australia and around the world have access to Studiosity.

You'll get *help not answers*, to give you the confidence to keep going on your own.

Choose to get help from a Subject Specialist or even upload a draft for same-day writing feedback.

**First, **find Studiosity on the library website.****
